

# ubuntu community week

oneiric ocelot  
July 18 - 22, 2011

## Alan Bell

is an Ubuntu Member and the lead of the Ubuntu United Kingdom LoCo team. Based in Farnham, he works to assist organisations in the UK to get the most value from Free Software.

location: farnham UK

## "Find Your Local Community"

How easy or hard is it for people in your area to discover other users of Ubuntu and the activities of your Local Community team? How can we add maps and location based services to the LoCo directory and LoCo websites to improve findability?
