July 18 - 22, 2011

Nathan Haines

is an Ubuntu Member, instructor, computer technician, an occasional programmer and magazine article author. He's passionate about spreading the the word about Ubuntu and Free Software.

location: los angeles USA

"Starting an Ubuntu Hour Near You"

Ubuntu Hours are informal gatherings where curious and new Ubuntu users can gather, get advice, and be a part of the local community. It only takes an hour of your time on a regular schedule and you can create one of these places for new users to meet. Learn how easy it is and have your questions answered in this session.
